

## **The following are highlights from the Board of Trustees Regular Meeting held Tuesday, August 22, 2017**

### **CANTON TOWNSHIP WELCOMES A NEW ROAD DEPARTMENT EMPLOYEE**

The Board of Trustees approved hiring Christopher Scarpino as a new Road Maintenance employee. The Board welcomes him to Canton Township.

### **MOWING ASSESSMENTS**

The Fiscal Officer was authorized to sign a letter to the Stark County Auditor requesting a lien on a tax duplicate for lawn maintenance/high grass nuisance assessment on 12 parcels: 1303736, 1306410, 1307029, 1307028, 1300983, 1401210, 1307798, 1312424, 1306060, 1309806, 1302507, and 1313031 totaling \$7,000.00.

### **NUISANCE PROPERTY**

The Board of Trustees declared 1 property as a nuisance as deemed by the Zoning Director, and ordered it abated per Ohio Revised Code 505.173 and/or 505.86 and/or 505.87 and the Canton Township Property Maintenance Code.

### **2017 CANTON TOWNSHIP ROAD RESURFACING UPDATE**

Canton Township is ready to begin our three part 2017 road resurfacing program, which includes paving/grinding, chip/seal, and the introduction of a new product called FasBlack. This is in addition to ongoing efforts for large area repair/patch work. We've had past success with an effective and cost efficient approach utilizing chip/seal on select roads, which proved to successfully mitigate surface deterioration and reduced reliance on our need for further pothole repair following cold weather. In 2017 we plan to resurface approx. 10.5 miles of our roughly 98 miles of roads in Canton Township utilizing this method, which is about a third of the cost of asphalt. Below is a quick snapshot of the roads being chip sealed. Please see our website for complete details, especially extra information regarding the application process. This year, for the first time, we will be utilizing FasBlack Fog Seal on some of the Township roads. FasBlack is an enhanced fog seal that will help control dust and further seal in the aggregate and extend the life of the chip seal. Further notices will be given to residents on the roads that will be receiving the fog seal process. Further updates will be made regarding our grind/repave plans for this year.

CHIP/ SEAL ROADS			
Road	Start/Stop	Road	Start/ Stop
Argyle S.E.	Sandy Ave. To Deadend	Hollywood N.E.	Leander to Deadend
Argyle S.E.	Waynesburg Dr. To Deadend	4th St N.E. (west)	Trump To Deadend
Argyle S.E.	Cul-de-sac	Euclid N.E.	Trump To Deadend
Argyle S.E.	Waynesburg Dr. to Crestlawn	Hollywood N.E.	Euclid to Georgetown
Dalemont S.E.	Waynesburg Dr. to Mapleton	Starkey S.E.	Pekin to Eastport
Dalemont S.E.	Mapleton to Deadend	Shale S.E	Pekin to Eastport
