

May 11th Meeting Highlights

Fire Department

The Board approved to hire Cindi Annen as an independent contractor to serve as the CPR Training Coordinator.

The Board approved the purchase of a new Pierce Pumper Tanker from Atlantic Emergency Solutions at a cost not to exceed \$534,621.00. The new Pierce pumper tanker purchase is happening several months earlier than planned to avoid anticipated price increases and to take advantage of available discounts. The new pumper tanker will complete the major replacement of CTFD firefighting apparatus to take our department over the next 15 years, except now the department's three primary squads, which all will need to be replaced over the coming years, become a budgetary focus. The new pumper tanker will enable the department to replace a 2006 engine with 94,000 miles on it that was refurbished 3 years ago, allowing it to go into reserve status. CTFD will be able to retire and potentially sell a current tanker as the new unit will have a large water storage capacity.

The Board approved \$19,000 for concrete work to the driveway at Station #2.

CTFD was able to retrofit an existing pickup to serve as a brush fire response unit. Utilizing in-house skill and labor at substantial savings over outsourcing or purchasing a new unit, the township was able to incorporate this response unit into the fleet at a total cost of \$5,469.16.

The Community Center door replacement was approved at a cost of \$6,166. This door will enable an added access point that will have a key FOB secured entry for individuals using the center as part of Bridge Point Learning Center.

Zoning Department

The Board declared the following property as a nuisance as deemed by the Zoning Director, and ordered it abated per Ohio Revised Code 505.173 and/or 505.86 and/or 505.87 and the Canton Township Property Maintenance Code. 2367 17th ST SE for trash and debris.

The Board approved the Fiscal Officer to sign letter to Stark County Auditor requesting a lien on the tax duplicate for lawn maintenance/high grass nuisance assessment on 16 parcels: 1307886, 1306639, 1400236, 1314996, 1309342, 1304457, 1304458, 1306289, 1306290, 1303049, 1302711, 1307798, 1304875, 1304876, 1305244, 1308399, totaling \$8,800.00

Public Works Department

The Public Works Department will be accepting applications for a Full-time Road Maintenance Employee within the Public Works Department. Applicants must have a minimum of a Class “B” CDL drivers license, submit to pre-employment and random drug testing, be insurable to operate Canton Township vehicles/equipment, and be flexible with working hours. Benefits include Ohio Public Employee Retirement, Medical/Dental Insurance, Life Insurance and Vision Reimbursement. Job description, duties, and application can be found on website www.cantontwp-oh.gov. Email or mail application along with resume to Christopher Neisel (c.neisel@cantontwp-oh.gov) 4711 Central Ave. SE Canton, Ohio 44707 by Friday, June 4th 2021.

Sealed bids for the 2021 Canton Township Paving Program were opened and sent to the township attorney for review and opinion.

The Board received updates on equipment failures on Public Works equipment as the right of way mower broke a cutter shaft and the bucket truck has a transmission failure. The mini excavator experienced a track failure requiring both sides to be replaced.

The Public Works Director updated the Board that the price of salt for winter road maintenance would increase from \$68.22 per ton to \$70.22 per ton next year.

Approved Sol Harris Day drawings for Faircrest Park capital improvements

as the firm will prepare a bid package in consult with township legal staff and will place to bid package out for bid in the future.
